

## TOUR THE ARTS.....

The tour aims to provide opportunities for students and visitors to have a closer look and experience the arts activities at Sri Warisan.

### Performing Arts Unit

Sri Warisan's performers are proficient in dance, music, vocal and theatre. Comprising of full time and part time talents, their experiences include participation at International Festivals in China, Vancouver, Japan, Asean countries and at internationally renowned events such as WOMAD and Singapore Arts Festival. The main task of the Performing Arts Unit is to provide arts education to the young people and general public. The aim is to create awareness and better understanding of the rich culture and help to develop aesthetic sensibility through performances.

### Performing Arts School

The school provide on going courses in Dance / Music / Vocal / Theatre at Sri Warisan's Studio.

- \* Children's Courses (Saturday & Sunday)
- \* Youth Courses (Sunday)
- \* Workshops and Seminar (Ongoing)
- \* 2 years On-The-Job-Training (Commence in March 2003)

### Services for Schools / Organizations

- \* Consultant and Producer of Art Programmes
- \* Conduct assessments and examination for Performing Arts students
- \* Special arts project and productions

### Glimpse of Malay Culture

The 1 hour programme is designed to help students and visitors explore the depth and diversity of Malay culture through dance performances by Sri Warisan's Performing Arts Unit.

### Performing Arts Shop

Provides rental, sales and services of performing arts needs. This includes costumes, props, accessories, traditional musical instruments and make-up artists for stage performances.

### "MUSTIKA" SRI WARISAN - SHELL Performing Arts Library

Is a joint project of Sri Warisan and the Shell Companies in Singapore. The library is open to students and the general public as a venue for reference and research on the performing arts. The library contains materials such as books, newspaper cuttings, photographs and videos of Mdm Som Said's personal arts collection.

Sri Warisan - Shell library is a joint project of Sri Warisan and Shell Companies in Singapore.

### Sri Warisan's 'STUDIO WARISAN'

Is located on the ground floor of the two storey studio. It serves as a music studio for traditional music classes and rehearsals and also for displays of musical instruments. This studio provides a little corner for a mini museum where two corners are created to the showcase :

- 1) Nostalgia Kampong - Showcase artifacts and handicrafts of yester-years.
- 2) Malay Wedding - Displays of symbolic items found at Malay weddings.

### Sri Warisan's STUDIO LAGENDA

This is a studio for dance rehearsals and for mini performances. The 'MUSTIKA' Sri Warisan - Shell Performing Arts Library is situated in this studio.

### Administration Unit

The administration unit oversees the smooth running of Sri Warisan through various departments: General Management / Human Resource / Marketing / Accounts / Performing Arts School / Arts Education / Performing Arts Unit / Costume / Music / Productions & Programs.
